

# Renewing Our Mission:

## A Midyear Prayer of Recommitment

**Loving God,**

As we stand at the midpoint of this school year,  
We come before You with open hearts and humble spirits.  
Grant us the wisdom to lead not just with intellect,  
But with the compassionate vision of Christ.

Illuminate our path of leadership,  
Help us to see beyond academic achievements  
To the deeper calling of forming young souls  
In Your love, Your truth, and Your purpose.

Strengthen our ability to listen—  
To faculty who serve on the front lines of faith formation,  
To families who entrust us with their children's education,  
And to the quiet whispers of Your guidance.

Renew our commitment to prayer,  
Not as a ritual, but as a living conversation with You.  
Help us to begin each day, each meeting, each challenge  
By first seeking Your direction.

*(continued)*

Give us courage to explore new opportunities,  
To bridge gaps in our educational programs,  
To embrace innovative ways of teaching  
That honor both academic excellence and spiritual growth.

Bless our school communities with:

Unity of purpose  
Openness to growth  
Compassion for one another  
And an unwavering commitment to Your mission.

In this new year, transform us—  
Administrators, teachers, students, and families—  
Into bearers of Your light,  
Builders of Your kingdom.

**Amen.**
