

# Missouri University of Science and Technology

## Undergraduate Programs

- Rolla, Missouri
- 7,083 total enrollment
- 10% international students

★ #1 public university in Missouri for return on investment  
*Georgetown's Center on Education and Workforce, 2022*

★ #3 best public university for career placement  
*Princeton Review, 2022*

Missouri S&T offers diverse areas of study, from computing and engineering to arts, sciences, and education. With our interdisciplinary cutting-edge research, you'll be able to put your education to work, no matter your major.

"Since childhood, I loved playing with electronics. I started learning more about robotics in high school and joined competitions. I love the challenge and there are many opportunities for me to be creative."

**Waleed Addas** → Saudi Arabia, aerospace engineering major

## Location

Rolla is a safe, clean, attractive community surrounded by both the timeless beauty of the Ozarks and the hustle-and-bustle of a small, vibrant city.

## Highlights

- Top 200 international university for engineering (*Times Higher Education World University Rankings, 2021*)
- 19 student design teams focusing on race cars, robots, rockets, rovers, and more
- 200+ student organizations
- 101 degree programs in 40 areas of study – from business and information technology to engineering, the sciences, the humanities, and the liberal arts.

## COLLEGE OF ENGINEERING AND COMPUTING

Aerospace Engineering BS – STEM designated  
Architectural Engineering BS – STEM designated  
Ceramic Engineering BS – STEM designated  
Chemical Engineering BS – STEM designated  
Civil Engineering BS – STEM designated  
Computer Engineering BS – STEM designated  
Computer Science BS – STEM designated  
Electrical Engineering BS – STEM designated  
Environmental Engineering BS – STEM designated  
Geological Engineering BS – STEM designated  
Geology and Geophysics BS – STEM designated  
Mechanical Engineering BS – STEM designated  
Metallurgical Engineering BS – STEM designated  
Mining Engineering BS – STEM designated  
Nuclear Engineering BS – STEM designated  
Petroleum Engineering BS – STEM designated

## COLLEGE OF ARTS, SCIENCES, AND EDUCATION

Applied Mathematics BS – STEM designated  
Biological Sciences BA – STEM designated  
Biological Sciences BS – STEM designated  
Chemistry BA – STEM designated  
Chemistry BS – STEM designated  
Education BS

English & Technical Communication BS  
English BA  
Environmental Sciences BS – STEM designated  
History BA  
History BS  
Multidisciplinary Studies BA  
Philosophy BS  
Physics BS – STEM designated  
Psychology BA  
Psychology BS

## KUMMER COLLEGE OF INNOVATION, ENTREPRENEURSHIP, AND ECONOMIC DEVELOPMENT

Business and Management Systems BS  
Economics BA  
Economics BS  
Engineering Management BS – STEM designated  
Information Science and Technology BS – STEM designated

## International Student Support Services

Whether you want to know more about living in the United States, academic expectations, or professional development opportunities, Missouri University of Science and Technology is ready to support you on this exciting adventure and make sure you have everything you need to succeed.

Students applying to Missouri S&T will benefit from:

- Streamlined application process
- Personalized enrollment services and advising
- Visa interview support
- Pre-arrival support
